Digitax taxi meters @ Ascott Cab Company

The London tariff change for Digitax will take place at:

Millwall Football Club
Zampa Rd (off Ilderton Rd)
London
SE16

The gate to Millwall car park will be open:

23:30 Friday 31/03/06 to start the tariff change at 00:01 on April the first 01/04/06
untill 8 am on 01/04/06.

Gates will close promptly

This will then restart at the at 8am 02/04/06 until 3pm 02/04/06

Any driver who is unable to attend the Millwall venue can have the upgrade carried
out at Ascott Cab Company, Garage Grove Street, London, SE8

This service is only for one week until 07/04/06 after which drivers will need to visit
the PCO for a meter seal.

Ascott would like to thank Millwall Football Club for their continuing support to local
businesses.

Digitax Electronics UK is not responsible for the content of external internet sites

The Digitax Website is being Upgraded!

We've now added a search facility to the website.

We're also in the process of testing a new area just for agents, and we hope to offer Pulse Locations, FAQs and a Forum for use by our agents.

This area should be accessable later this year so please be patient while we check it works!
